Subject: Telephone Call from Camille Buras, New Orleans District Attorney's Office

Camille Buras called me this afternoon. She gave me the following information:1. District Attorney Connick has decided to give the Review Board the original Garrison investigation records in his office, with the exception of grand jury materials.2. He needs more time to review the records and is not ready to turn them over to the Review Board yet.3. Board Staff members can review the Garrison files at Connick's office next week, as early as Monday, if we would like to do that. We will not be allowed to take any documents, but we can look at them.4. Buras was not sure if they want copies of the original documents the Board will eventually get, but she wanted to know if it would be possible. I said that it could be arranged. 5. Connick will testify at the public hearing on 6/28/95 and will be accompanied by Buras.I told Buras that I would get back to her on Friday about one of us coming in next week, perhaps on Monday. I am scheduled to arrive in New Orleans, along with Tracy and Jeremy, at 4:44 p.m. We should discuss whether or not it is worth getting in earlier on Monday to go to the D.A.'s office or do it on Tuesday. Let's discuss.
