Subject: Dallas Public Hearing, 11/18/94

Please see the copy of the referenced testimony that I placed in your IN basket. Dr. Murrah mentioned the papers of Waggoner Carr and several others that are housed at the Texas Tech library. From his comments I gather the Carr papers are on microfilm that is available for sale. There are also apparently recordings of an oral history with Carr. Several others collections may not be on film. Shall I initiate contact via a letter for your signature, with Dr. Murrah to obtain the Carr microfilm and recordings and paper copies of the other collections?
