Subject: Letter from Jim DiEugenio

In the course of my several telephone interviews with DiEugenio he's always asked if the Board plans to hold a west coast public hearing. I told him I do not plan the hearings but that if he wanted to write to David he could do so and that he should feel free to suggest participants, although to do so would in no way mean that a hearing would be held or those people asked to testify. Today I received a letter from him, a copy of which I placed in your IN baskets. This is given to all of you on an FYI basis.
