Subject: A few things

Do you normally leave live checks in peoples top desk drawer?What time is good for you today to meet with Jeremy and I? The meeting including Chet and the R&A Staff is going to be at 3:45 pm if you don't have a conflict.I realized after I left yesterday that I had incorrectly put the phones on night and when I tried to call to tell someone how to change it all calls were being sent directly to Jerrie's voice mail. I hope this didn't cause anyone any major problems. I do know how to do it. Welcome back!!
