Subject: Call from John Newman

Newman wanted me to pass along the following information to you:He was on a Dallas radio talk show yesterday and he took a call from a woman named Bobbi Flynn [work: (214) 618-7500; home: (214) 530-8488]. Flynn said that she worked for the CIA many years ago and in 1968 saw a file on Oswald that included a photo of Oswald with other individuals and had written on it "1956" in red marker. In addition, there was a reference to Jack Ruby in the file. Newman thought the woman sounded "nervous, but authentic." He wanted to pass the information along to you in case we wanted to contact her.Let me know if you need anything else from me.
