Subject: Agency Contact Database

I have a contact to enter and find it very confusing to have multiple DOJ listngs. Could these be consolidated, please. In addition, I have a question about where to enter my contact. It is the contact for DOJ U.S. Parole Commission. Does he go under DOJ or Parole Commission or Parole Commission as a subheading to DOJ. I have seen it different ways in the database. I am going to be getting a lot of these to enter, so I would appreciate it very much if we could set this up so it is consistent. Thank you very much.
