| **Subject:** | Review Track |
| **Body:** | Fixed the people view by taking out the second column. Also added %I left you 2 versions of the RED FORM just slight diff. in fonts and listings I highlighted with a pencil.I think the new format should also be put on the RIF it is a much cleaner look and lets the supervisor review much easier. So if you say go I will change it tonight and show Mary and Phil this afternoon. |
