**Subject:** Meeting with Jeremy

I've requested a meeting today for all of CIA team with Jeremy. I believe he's at CIA this morning with David for a meeting, but should be back by around 11:00. I have an eye appointment until around that time, but any time after that is fine with me. Let me know if it isn't for any of you. Please get your thoughts together to present for Jeremy. Nothing formal--just as you did for me. But don't leave any concerns unspoken. This is an opportunity to get them discussed.
