Subject: CMS Mail Monitor

Author: Laura Denk/ARRB Composed: 03:48 PM TodaySubject: CMS Mail MonitorCategory: -----

-----I would like for my
mail monitor message to always "show sender" but I can't seem to change the default setting to "show
sender." I can go into the "CMS Mail Monitor -- Options" and click on "show sender" every day, but then,
when I log out, it switches back. Any ideas?
