Subject: Barry

Barry tried to reach you this afternoon, after you left, and would appreciate a call back. Before everyone over there knocks themselves out to prepare for the upcoming Board meeting, he wanted your assurance that there really was going to be a Board meeting. (Where did he get the idea that there might not be one?) I told him that I hadn't heard anything to the contrary and that everyone here is proceeding full steam ahead. But it would probably reassure him to hear that from you. I'm going to meet them over at Archives tomorrow morning, probably at 9:30 a.m., to hear the tape.
