**Subject:** OMB Review of Privacy Act regulations

Here is the update on OMB's review of the Privacy Act regs from the agency contacts db:Jeremy mailed our proposed Privacy Act regulations to Maya Bernstein on 7/12/95. Maya was to review the regulations and get back to us. I called Maya today to ask her about her review, but she is on vacation from 7/21/95 until 8/8/95. Her voice mail said to call Lou Olnick if we needed an opinion on Privacy Act issues. So, I called Lou Olnick and asked him to review our regulations. He said that he would be reluctant to make suggestions after we had been working with Maya on them. I asked him to review them anyway and I told him that we needed to send them to the Federal Register before Maya returned on the 8th. He agreed to do so, but he said that if there were problematic issues, he would not feel comfortable giving an opinion without talking to Maya.
