Subject:	Outstanding Tasks
Body:	I will keep the NYPD RIF and secure the document upon my return.I'm aware of two other outstanding tasks I have in connection with your work: 1) Connally medical records: I'm more than halfway done plowing through HSCA records on this subject -- which turned out to be a much bigger task than I anticipated -- and will attempt to finish it the week of my return, and 2) Warren Commission administration records: I have yet to start on this, but my understanding is that you'd like me to compile a complete staff listing along the lines of what I did for the HSCA. I should be able to get a start on that, also, upon my return.Is there anything important that I'm forgetting (or have repressed)? Let me know!
