Subject: CIA documents

Of the 14 documents CIA is now releasing in full (actually 15, including one sent later, with the batch of newly-redacted documents), 2 (#25 and #26) were released at the July board meeting, one (#19) at the June board meeting, and 2 have already been released in full to NARA. I'm trying to get this all cleared up with Barry, but it's a bit of a mess right now. In any case, don't get ready with any press releases on numbers of documents released in full until we get this cleared up!
