Subject: This afternoon's meeting
I have just been informed of an important meeting with a representative of the CIA this afternoon at 1:30. The topic is Cuba, which is my area of assignment. As the staff "expert" on this subject, I have been specifically requested to attend. Thus, I cannot meet to discuss the letters we've been writing. I do apologize, and suggest we meet first thing tomorrow morning (I've been given the impression that today's meeting might be a long one.) Sorry, guys.
