**Subject:** Questions for Mr. Ayers

Per your request, here are my proposed questions for Mr. Ayers, to be asked AFTER some friendly informal chit-chat designed to break the ice, which would include an explanation of ARRB's limited mandate (so as to put his mind at ease).One question which might precede those attached would be, "Has anyone EVER contacted you before about Lee Harvey Oswald?" This would give him a chance to tell me whether he is tired of all this, OR would indicate to me whether this is the first call ever, or the first one in so-many years. It would also be good for us to know WHOM might have contacted him before, and what they might have asked.I won't proceed until I hear back from you with a "go-ahead". Mr. Ayers should now be almost 62 years old (his 62nd birthday will be September 19th). He apparently lives in Portland, Oregon, and we believe we have his phone number, thanks to Anne's good work.
