Subject: Issue 23 letters to former staffers, etc.
FINCEN has provided approximately 15% of the addresses we've requested for former staffers, consultants, etc. I've analyzed the raw data and typed the addresses into the Public Contacts database. This means that letters can be sent to these people as soon as the legal issues are resolved and letters, appropriate to the different people involved (Congressmen , counsel, staffers, admin. staff, consultants) are drafted. I wanted to inform you of this now in the interest of avoiding an administrative log jam in the future by trying to send 500 letters all at once. I will continue to analyze the data as I receive it from FINCEN and will enter it in the Public Contacts database.
