Subject:	computer training for Dave
Body:	I know you've been busy the last few weeks, but Dave really should have the benefit of sitting down with you for some computer training as soon as you can manage it. I especially want him to be familiar with WordPerfect . I've taught him what I know about Notes and Gum Shoe, but again, he should have the benefit of your expertise in both areas.Thank you for scheduling some time with him as soon as possible.
