Subject: sending letters

I need to have several letters (in the next two days, a total of 8 to 10 maybe fewer) prepared for sending. Some are left over from yesterday. They have to go today as they concern my upcoming travel & appointments (I'll type them in gum shoe, they then need to be "pulled" into WordPerfect to go on letter head. I'm going to fax some of them (I'll do the faxing) and then they'll all need to go in the mail. Jerrie told me she and Noelle are going to be working with the Board for all of today and Thursday. Is it OK to ask Eileen to show me how to do this myself?
