In case you haven't seen Tom's suggestion. I'll be here until 1:30 on Tuesday.

Anne - I suggest you ask Eileen for a copy of whatever is in his correspondence file. I believe that there is a letter in there that he wrote to Mary Ferrell with suggestions about records. In addition, I think it would be interesting and perhaps helpful to know if he has been in contact with Veciana in recent years. Maybe a sit-down with David, Jeremy, and me would be helpful to come up with a laundry list of questions. Although it is not certain that there will be a Board hearing in Miami, he would probably be a candidate to testify and could probably suggest additional witnesses who are in Florida.

I'm planning to call Fonzi to see if he'll meet with me on my upcoming visit to Miami. Has anyone had contact with him yet? (I do have his address and telephone number.) If I speak with him, does anyone have any particular questions they want me to ask?
