Subject: More On Gum Shoe Issue #9

Body: Anne...I hope you received my first reply to your question on the placement of the items within that Issue...As I said before, I am the one that moved the items around to organize the "sub-categories" within the Issue...After careful thought, it does make more sense to keep everything in chronological order & it obviously shows what I have done next...I will modify my organization style accordingly ...Once again, I hope you have not been greatly iinconvenienced ...Dave
