Subject: increased cost of renting a car

When Rosenbluth made my pland and car reservations on 9\21 the lowest price for a rentalcar in New Orleans was \$27.00 a day with National. (I selected a compact\economy car, not a mid-size.) When I got to the rental counter Tuesday evening the price had become \$34.00 a day for the same class of car. They told me rates "went up a few days ago." I wanted you to know this in case there's anything you can do about it.
