She said you were guaranteed at $27/day and they should have honored that. Did you show them your confirmation of that rate? It would be on your itenerary. In any case, we can submit a claim to get the difference back when you return. Carol said to save ALL receipts and info that they give you, including the copy of the contract that you sign.To: Tracy Shycoff/ARRBcc: From: Anne Buttimer/ARRB Date: 09/29/95 09:16:46 AMSubject: increased cost of renting a carWhen Rosenbluth made my pland and car reservations on 9\21 the lowest price for a rentalcar in New Orleans was $27.00 a day with National. (I selected a compact\economy car, not a mid-size.) When I got to the rental counter Tuesday evening the price had become $34.00 a day for the same class of car. They told me rates "went up a few days ago." I wanted you to know this in case there's anything you can do about it.
