**Subject:** Charles Bronson/John Sigalos, Esq. - Gum Shoe issue 62

To follow up on our conversation Thursday afternoon please conduct the following additional investigative steps before you send a letter to Sigalos. Please do this work as soon as possible, and then write a letter to him that is responsive to the information you develop. Please follow the correspondence review procedure in place during my absence.1) I placed a request to FINCEN for all Lexus/Nexus information on Sigalos in order that we can know who else he represents, what statements if any he or Bronson have made about the film, etc. I also asked FINCEN to provide us with basic background information on Sigalos and Bronson. (See the actual request at issue 62.)2) Please call the Texas Bar Association for basic background information on Sigalos (how long in practice, disciplinary record, etc.)3) I've sent an "ALL" email to our colleagues asking for book references, etc. on Bronson and Sigalos as one more avenue of information on what they are about and what they want.4) When you are comfortable that you know enough about Sigalos call him with a list of prepared questions. Tell him you haven't sent a letter and information yet because the ARRB wants to fully and adequately address any questions, issues and concerns he and Mr. Bronson have about cooperating with the Board. Ask how we can be responsive to those concerns. (this may flush out information about Gary Mack, etc.) 5) Ask Sigalos additional questions as developed through your preliminary research.
