Subject:	Thank You Letter to Paul Hoch
Body:	After you gave me permission to call Paul Hoch, he responded immediately to my request for CIA document 450 by mailing it to me that evening.I think we should "keep the skids greased," as it were, by formally thanking him. I have attached a draft thank you letter for your review. Although I realize that the normal policy is for kDavid to sign all letters, I thought this might be an exception. It really doesn't matter who signs the letter, as long as we send one.Please provide comments/guidance on draft letter!
