Subject: letter to Jean Newman Caillet

I just asked Jerrie to go ahead and send it. Is Caillet her married name? If so the usual way to indicate a pre-marriage surname is Jean Caillet, nee Newman. Please look at the letter in Gum Shoe for my editing. I changed the first paragraph because I didn't think we should say it was a pleasure to talk about the assassination, although I know that's not what you meant. I'm thinking of all possible interpretations of the letter. I also shortened other parts of the letter and changed passive voice to active voice in at least one sentence.
