**Subject:** FYI: Customs Update

Here is the latest on Customs. Bruce Miller wants to go to Suitland sometime Nov. 1, 2, and/or 3. I told him that I thought the dates were fine but that I would need to check with you before I could be sure. CALL REPORTDocument's Author: Laura Denk/ARRB Date Created: 10/24/95 The Players Description of the Call Date: 10/24/95Subject: Trip to SuitlandSummary of the Call:Bruce Miller called me back regarding the trip to Suitland. He is available November 1-3 to go and start reviewing documents. I told him that I would initiate contact with the people at Suitland and then have them contact him if they needed additional authorization from Customs.On the field office search for records, Bruce Miller decided to send out a memo to all of the Special Agents in Charge and Resident Agents in Charge in the field. The memo instructs each SAC and RAC to state in writing that (1) they have searched their offices for assassination records, (2) they have reviewed their 135 forms for potential assassination records, and (3) they have turned over any records or 135s that they identify. He will give us a copy of the memo.
