Subject: "Gandy"

If you are going to Archives II today, you should check out the following: when Steve Tilley is showing you Oswald's "notebook", ask to see the page which shows FBI Agent Hosty's name. I remember seeing it last Friday. I read over the weekend that the name "Gandy" appears on the same page!!! I don't remember seeing that last Friday...but then I was focused on "Hosty". If "Gandy" is there, check and see if there is a phone number next to it. Oh, by the way, there is also a "Mr. Phillips" in his notebook--could you check and see if it had a phone number next to it? Except for the "Mr. Phillips " item, the rest of the above is right down your alley.
