Subject: List of Bethesda Attendees

Please add two more entries to the master list of all those who are alleged to have been present at JFK's autopsy: Researcher Walt Brown, in his October, 1995 issue of JFK Deep Politics Quarterly, quotes Jerrol Custer as saying that "the Joint Chiefs of Staff were present at the autopsy"; the quote comes from a Spring 1995 interview he conducted with Custer. During the interview, Custer also confirmed the presence of William Pitzer (LCDR, USN). (Whereas others have alleged that Pitzer had film(s) taken during the autopsy, this is the first person I am aware of alleging that he personally saw Pitzer in the room.) His estimate of the total number of people in the room is that it was close to fifty people. END
