Subject: HSCA documents from 10/24 Board Meeting in Review Track
All the HSCA privacy records processed by the Board at its 10/24 meeting are now in the Review Track and processed for the Archives Track. This includes the 178 staff payroll records (including the 11 for which brand new RIF's had to be created by NARA), the 16 documents in which the Board upheld an existing SSN redaction, the one document the Board released except for a SSN redaction and the three documents the Board released in full (for a total of 198 processed records). FYI, two of the payroll files -- as it turned out -- did not contain any SSN's and so therefore were released in full.
