Subject: HSCA document 180-10071-10164, numbered file 007995
This document, which has been referred to the Secret Service, is scheduled for review at the next Board meeting. The copy that we have appears to be missing two or more pages after page 2. I doubt there is postponable material on the missing pages, but it would be preferable to have a complete copy to show to the Board. Joe, could you contact the appropriate folks at the legislative archives to get copies of these pages?
