Subject: HSCA transcripts
Can you identify any HSCA transcripts that have no third-agency equities? For example, it would seem that Lorenz, Veciana, Trafficante, etc. may not have such equities and the Board might release them at its next meeting. Any other ideas?Please give me an immediate, preliminary assessment .If we identify such transcripts, we will nevertheless notify CIA and the FBI that the Board will be voting on them in case they wish to separately verify that they have no equities.
