**Subject:** Deeds of Gift

I have made contact with both Lyon Garrison and Cynthia Wegmann regarding their deeds of gift. They each have copies of their respective deeds of gift, with language that accurately describes their gifts. I told them that if they did not have any objections to the drafts, I would finalize them and we would make arrangements for them to execute them. Should I send them originals for their signature, enclosing a stamped envelope addressed to the Review Board so that they can send the deeds back? Is one signed original enough? Should I send a copy for their records? Phil asked me to help Kevin and Tammi copy documents at the FBI today in anticipation of a prolonged furlough. I think I'll be back at lunchtime, though, if you have any questions about these deeds of gift.
