Date Created: 11/13/95 The Players Description of the Call Date: 11/13/95Subject: Further Arrangements On Authentication Of 8mm Muchmore ORSK At Archives IISummary of the Call: I spoke with Alan Lewis of NARA's Motion Picture Branch today regarding the authentication of the 8mm Muchmore ORSK film housed at Archives II. Lewis is the custodian of the material and will thaw the 8mm ORSK for authentication on 11/17/95 at 2 p.m. based on my request through the Branch Chief, Les Waffin. Lewis will contact all necessary parties prior to that time and also inform me of any changes. I will meet Lewis at Archives II to witness the authentication. The Motion Picture Brach will provide a written report on their findings which will be submitted to the Review Board for the Collection. While at Archives II, I will also follow-up with Steven Tilley re: the original accession file for the Muchmore material which Tilley says is in his posession.
