Please draft a short letter from David to John stating the cutoff date.To: Jeremy Gunn/ARRBcc: From: Mary McAuliffe/ARRB Date: 11/20/95 09:18:53 AMSubject: Name dayWhat about a Dec. 5 cutoff date for getting nameday info. back from CIA? That doesn't give them much time, but we need that week. A letter would be appropriate, so long as it's framed in such a way that it's a reminder rather than a threat, something that puts this part of the process on the official record. Barry and company are well aware of our need to get that information in good time.
