Subject:	One suggested change to Nov. minutes
Body:	I've reviewed and initialed the November minutes. One suggestion/correction (which I wrote on the sign-in cover sheet) is that the number 36 be changed to 33, to make it consistent with the (correct) number cited later on in the paragraph. See the cover-sheet for a more detailed explanation. While there were a total of 36 records processed, only 33 of them had to do with the payroll/Social Security # issue.Hope this all makes sense... let me know if you have any questions!
