**Subject:** Privacy Act New Systems Report and e-mail address

I left you a voice mail this morning inquiring about the logistics of sending the Privacy Act New Systems Report. I am planning to send the transmittal letter, the narrative statement, the regulations, and the systems of records notice to the Director of OMB, with copies to the Committee on Governmental Affairs in the Senate and the Committee on Government Reform and Oversight in the House. OMB Circular A-130 says that the transmittal letter should include a statement that we are sending the report to the President of the Senate and the Speaker of the House, so I am planning to send two additional copies to those offices. You should already have a copy of our Privacy Act regulations with the Executive Order 12866 submission statement. Do you need another copy of the E.O. 12866 form with the current date? Please let me know if you have any additional thoughts or if you need to review any of the documents before I mail the report. My e-mail address is: [Laura\\_Denk@JFK-ARRB.GOV](mailto:Laura_Denk@JFK-ARRB.GOV). As always, thank you for your help.
