| **Subject:** | Updating disks |
| **Body:** | Kris Wilhelm has decided that it is unnecessary for someone from NARA to watch over Chet's shoulder as he updates our database with their disks (since what they're giving us are back-ups to begin with). Since she is going to be on reference Thursday (and thus not in the Vault with the disks), I am making arrangements with her to pick up the disks either later today or tomorrow -- so they'll be here when Chet gets here Thursday. |
