**Subject:** Security Classified Testimony and next week's Board Meeting

**Body:** In Jeremy's absence, I thought I should address this question to you: is there any interest in having the Board process the HSCA Security Classified Testimony which CIA signed off on yesterday (see yesterday's meeting report) at next week's meeting? Parenthetically, Mary suggested -- and she's absolutely correct -- that in the event we put these to the Board next week on the green consent agenda, we should doublecheck with Barry.
