**Subject:** New record series on disks Chet will be updating our database with

Obviously, since we have 209 RIFs in this record series already in our database, this earlier message was misinformed. But there should be a significant addition to this record series in the updated disks. Sorry for the confusion/ignorance. To: Jeremy Gunn/ARRBcc: David Marwell/ARRB, Chet Rhodes/ARRB, Kevin Tiernan/ARRB From: Joseph Freeman/ARRB Date: 12/07/95 10:56:54 AM Subject: New record series on disks Chet will be updating our database with As previously E-Mailed, NARA's disks are here, and Chet tells me he tentatively plans to do the updating on Monday evening. FYI, these disks contain a complete record series -- "Audiotapes and other HSCA..." (I don't have the exact title, but it begins with "Audiotapes" -- not in our current database.
