Subject:	Postal Service
Body:	I will be calling Betty Ball at the Postal Service to set up a time to go to Suitland. I anticipate being out there all day Wednesday, December 20th. I also want to request the redacted documents with the unredacted pages. I would like to compare the two with our most current list of released names and those names that are already in open source documents. I believe that most of the redacted documents could be released on a consent agenda. It appears that most of the redactions were made of true names that are publicly known.
