**Subject:** "B.H."

FYI only, and no doubt -- with all the big things going on -- you'll have no recollection of this...you had checked "B.H." as someone whose deposition/statement I should find in connection with your prepping for the Goodpasture deposition. I told you I didn't know who he was, and off the top of your head you didn't either... Turns out he's someone at CIA headquarters that remembered a "Maurice Bishop" who was some relatively senior person at the Agency. Fonzi found out about him as part of the whole David Phillips-Veciana-Maurice Bishop thing. In any case, his testimony would not have been relevant to your Goodpasture efforts, so no harm done.
