Body:	One down.To: Jeremy Gunn/ARRBcc: From: Joseph Freeman/ARRBDate: 11/29/95 06:17:56 PMSubject: Re: FAA Ferrie document, 180-10117-10177Attached is a draft letter to DEA. On 11/27 I sent you the draft letter to the FAA. Please note in the attached letter that we ask DEA for an additional record cited in the two-page Bureau of Narcotics memo contained in the FAA file. We also make a more general request that they search for other Ferrie-related documents, since we know they generated at least two.To: Joseph Freeman/ARRBcc: From: Jeremy Gunn/ARRBDate: 11/20/95 03:29:02 PMSubject: Re: FAA Ferrie document, 180-10117-10177See below.To: Jeremy Gunn/ARRBcc: From: Joseph Freeman/ARRB Date: 11/20/95 03:15:18 PMSubject: FAA Ferrie document, 180-10117-10177I have found one record among the Ferrie documents which is actually a FAA-originated document (as opposed to a ALPA/Eastern Airlines proceeding which happens to have come from an FAA file). It's a FAA memo and case summary with assorted attachments.First question: should the FAA get a letter like the one we sent to Mike Berger at VA? YES.Second question: is it too late to reference the Board's December meeting in such a letter?YESThis same record contains some FBI material on Ferrie (Kevin is checking to see whether or not it's already been released, and I suspect he'll find it has been) and a two-page memorandum of 9/29/61 which Kevin says is DEA (Bureau of Narcotics). Should they get a letter, too? YES.Or is the document too complicated to be dealt with now?Too complicated for next Board meeting, but let's schedule it for January meeting.PS - this record is not in the review track as of yet.
