Subject:	Information Packets
Body:	I know when you read this you will have just gotten back to work, but I am writing it for both of us to remember. With that said, I am going to go to Atlanta with the Board for the American Historical Association Annual Meeting on Friday. I would like to bring 20 information packets. It would be helpful if you could pull them together by Friday -- I won't leave until about 2:30 p.m. Some of the recent clips an advisories would be helpful. If you have time to update the chronology that would be helpful, but not critical. We can go over what has to be done upon your return and prioritize. Thanks.
