Subject: near input

Body: Welcome back! I did the near input today and need to talk to you to get clarification on a few things. Just so I remember, they are Tom's November trip to LA (amex differs from receipt), Kermit's tickets involving the Atlanta trip (which were returned, etc.), the AT&T long distance (not calling card--received a credit and I think I understand but let's check on it), and Deer Park (showing we are behind on payments, but I think it is their error). Anyway, let's talk when you get settled. Thanks.
