Subject: Initial Conversation With Time/Life Re: George Karas' and Herb Orth's Review Of ORSK Zapruder Film

Body: CALL REPORTIssue # 68Document's Author: Dave Montague/ARRB Date Created: 01/04/96 The Players Who initiated the call? Review Board's representative in the call: Dave MontagueIndividual's Name: Kenneth SchleslingerDescription of the Call Date: 01/04/96Subject: Initial Conversation With Time/Life Re: George Karas' and Herb Orth's Review Of ORSK Zapruder FilmSummary of the Call: I spoke with Kenneth Schleslinger who is an archivist with Time Incorporated. Schleslinger did not want to discuss any Zapruder issues over the phone because he felt the history of the assassination and the Zapruder film are "very sensitive". I explained the nature of the Review Board and that I would send him an information packet for his review. Schleslinger would like to review the material and said he will be more than happy to cooperate in any way after he has received it. I asked if either "George Karas" or "Herb Orth" worked for the former Time/Life and if there may be documentation within their archives to that effect relating to the Zapruder film. Schleslinger said George Karas died approximately during the Summer of 1994 and Herbert Orth lives in New Jersey. He said depending on what upper-management within Time Inc. says, will determine whether he can release contact information for Orth. If that is the case Schleslinger will gladly pass on a copy of the material I send him to Orth.* I will send him a letter and information packet.Schleslinger's information is:Kenneth Schleslinger, ArchivistTime Incorporated Archives1271 Avenue of the AmericasSuite 2871New York, NY 10020212-522-1033=direct212-522-2403=faxDon't forget to compose individual Action Item documents for any action items that resulted from the call!
