Subject: Andy Purdy

As you have no doubt already heard, the meeting with Purdy went quite well. It was loose and unstructured, and Andy really opened up. Both Tom and David attended, and the conversation covered several assassination-related topics beyond the medical evidence. He has lots of suggestions and thoughts about Humes and Boswell and is willing to help us prepare. I told him that we (specifically you) would like to get together again and talk specifically about the doctors and he agreed. The tape of the conversation is in your in-box.
