Subject:	12/6 Draft "Second Report" on CIA/HSCA Security Classified Folders
Body:	Under the category of gentle reminders on not-so-important topics: since the below-referenced memo was done at your direction for the record more than anything else, I need your sign-off/amendments on the "draft" before I can give it to Noelle and get it into the permanent system. Let me know if you need another hard-copy. Alternatively, if you no longer feel the need to review it, I can just strike "Draft" and give Noelle the version I gave you. No rush... I just didn't want us to forget about it altogether. Thanks.To: Jeremy Gunn/ARRBcc: From: Joseph Freeman/ARRB Date: 12/07/95 11:47:50 AMSubject: 12/6 Draft "Second Report" on CIA/HSCA Security Classified FoldersPer your suggestion, I have drafted for your review a follow-up memo on the above topic, incorporating information gathered since my 12/1 memo. A hard copy is in your box. Let me know if you'd prefer an electronic version.You are the only formal recipient of the draft, though -- like the first one -- Manuel has briefly reviewed it for general accuracy. I have also attached for you the two HSCA finding guides referenced at the end of the memo, though I don't intend to attach them to the recipients of the final version.
