Subject: Search For Betzner Material From The Richard Sprague Papers
CALL REPORT Issue # 9 Document's Author: Dave Montague/ARRB Date Created: 01/29/96 The Players Who initiated the call? Review Board's representative in the call: Dave MontagueIndividual's Name: Georgetown University LibraryDescription of the Call Date: 01/29/96Subject: Search For Betzner Material From The Richard Sprague PapersSummary of the Call: I spoke with Lizza Matano of the Georgetown University Library Special Collections Division and was told that they still maintain Sprague material. They have about 8 boxes of Sprague material some of which includes photo material. I will be able to review all of the material but will need permission from Manuscript Librarian Nicholas Scheetz if I wish to make copies of them. Anyone at the research desk will be able to provide me access to the materials.The Division is located on Georgetown University's main campus and the closest metro station is Rosslyn. I will try to find a parking spot on the street using meters or will need to park in the pay lot on Prospect Street due to the lack of adequate parking. The parking company charges a flat rate of about \$12-13 dollars for the day.I plan to visit on 01/30/96 in the afternoon to perform an accountability.Georgetown University LibrarySpecial Collections DivisionLauinger Library37th & Prospect Street, NWWashington, DC202-687-7452=general number202-687-7444=Special Collections Division
