Subject:	Grid meeting
Body:	David has asked for a meeting with the team to discuss the grid/matrix with the CIA team this morning. Since Mary and I have our SCI briefings this morning and are unsure of the time of our return, the meeting is tentatively scheduled for 11:15 (or, whenever Mary and I return, whichever is possible.) If we do not have a written list of the things we discussed Friday re: Board guidance, we should compile one this morning.
