Subject:	Database Meeting results
Body:	I have added a new clean up macro to both Review Track and Archives that should improve the date consistency problem. I will review with you both on Thursday. I have also placed printouts on your desks or in baskets of the Substitute language, Vanilla Codes and the Analysis prompts. I would like to meet with you both, a CIA team member, and Noelle, this Thursday at 1:30 if your are available.Thanks
